Welcome to the 2020 Table Rock Regional Roundup.

Due to the coronavirus pandemic and concern for the safety and health of our attendees, we are cancelling the in-person conference at the Big Cedar Lodge. The good news is that we will be offering a slightly consolidated program to take place on Saturday, September 26, 2020. The planning committee is hard at work putting together the details, but you will be able to attend on line via computer or mobile device. Once the logistics are in place, we will be making an announcement with instructions about how to register. In the meantime, we greatly appreciate your interest in the Table Rock Regional Roundup. We expect to be back at the Big Cedar Lodge again next year! Mark the dates -- September 23 - 25, 2021.
